Change is coming.

Having learned to cope with her grief, Alexis has settled into a quiet and predictable life. Until now, when a vampire appears in her room, ordering her to stop exposing his secrets in her blockbuster books or he'll come for her family. Although the threat feels uncannily real, it has to be a dream. Because monsters may exist, but vampires do not.

Change is inevitable.

Erratic thoughts suddenly consume Alexis's mind, inexplicable impulses overcome her body, and her evil inheritance simmers in her soul. She begins to question her sanity, because what she sees couldn't possibly be real. Like the vampire who keeps threatening her.

Change is here.

But Alexis discovers there's a fine line between fact and fiction . . . and between insanity and reality. Especially while going through the Ang'dora. She's changing, and just in time. The enemy has exploded in a fit of rage, targeting her and her family.

In the transformation that gifts her with supernatural powers, not even she knows which will prevail in the battle for her soul—the goodness she was born into or the evil that flows in her blood. And the consequences for everyone she loves prove to be unimaginable.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **an angel's purpose** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your an angel's purpose so overwhelming, you are able to go ahead and take instructions or guides in the manual individually.
