Nicole met Ryan when he was a handsome, cocky teenager with a desire to fly high above the clouds. Ryan encouraged her to dream big and promised her happily ever after, and Nicole fell as hard and fast for him as he did for her. But several years into their lives together, they were faced with obstacles bigger than either had ever imagined.

Their love faltered. They lost their way and considered what had once been unthinkable—the end of their forever.

But now fate throws them a new curve, an event that forces them back together, that strips their emotions bare and is both terrifying and strangely unifying. For the first time in a long while they have to face each other, and not only talk but also listen, because their lives depend on it—not only their

lives, but also the life of their six-year-old son.

Secrets and lies frame a perilous journey to the truth that takes Nicole and Ryan to Angel's Bay, a place where sometimes miracles happen, and now more than ever they desperately need one.
