Ever since it was first performed in 1949, *Death of a Salesman* has been recognized as a milestone of the American theater. In the person of Willy Loman, the aging, failing salesman who makes his living riding on a smile and a shoeshine, Arthur Miller redefined the tragic hero as a man whose dreams are at once insupportably vast and dangerously insubstantial. "By common consent, this is one of the finest dramas in the whole range of the American theater." —Brooks Atkinson, *The New York Times*

"So simple, central, and terrible that the run of playwrights would neither care nor dare to attempt it." —*Time*
