**Download or Read Online Agile Project Management Methodology for Beginners: Scrum Project Management for Beginners Andy Webb Free eBook PDF/ePub/Mobi/Mp3/Txt**, The older rigid traditional models of delivering changes has been replaced with an agile way of delivering changes. The world of apps, and internet driven economy means that any change has to be delivered almost overnight with no scope for delays and the consumer wants things almost immediately. Agile provides that project management methodology to help you get the results immediately.

Written for beginners, this book explains Agile concepts using the Scrum approach and fits them together into a cohesive framework. Instead of merely defining terms, it presents Agile as a living, dynamic system for stripping away the frills and getting back to basics while managing projects. The first half of the book explains the Agile Manifesto in detail, both in theory and practice. The second half of the book gives detailed explanations for applying Scrum, which is an Agile method known for its simplicity and ease of implementation.

Small startups and entrepreneurs will find practical advice, encouragement, and inspiration in this book, while development teams in larger companies will appreciate its clear, concise explanation of how the pieces of the Agile puzzle fit together.
