The city itself has neither the ambiance of Hanoi nor the hustle-bustle of Ho Chi Minh City, but has its share of sights and is close to the charms of Hoi An and the imperial capital of Hue, making it a popular vacation spot for those looking to explore the attractions of central Vietnam or soak up some sun while hanging out on the city's beaches.

The city is often overlooked by tourists but it is one of the friendliest to backpackers in all of Vietnam. My Khe Beach, known to American GIs as China Beach, is now home to a small community of guesthouse owners, marble statue shops, and other various trades.
