They spent years crossing paths but it wasn't until they were thrown together while working on the film *Jumping the Broom* that their storybook romance began.

Faced with starting a new relationship and wanting to avoid potentially devastating relationship pitfalls, DeVon and Meagan chose to do something almost unheard of in today's society—abstain from sex until they were married.

In *The Wait*, DeVon and Meagan share the life-changing message that waiting—rather than rushing a relationship—can help you find the person you're meant to be with. Filled with candid his-and-hers accounts of the most important moments of their relationship, and practical advice on how waiting for everything—from dating to sex—can transform relationships, allowing you to find a deep connection based on patience, trust, and faith.
