Zane Phillips mistook me for his dog walker. It shouldn't surprise me that the man with a suit more expensive than my rent would assume that I was there to serve him. The positive? I put him in his place. The negative? I missed my job interview because of it.

Now I find out he's a rich Australian entrepreneur, and he wants to make up for tanking my interview. Yes, he's impossibly hot - but he's also an arrogant jackass—so . . . no thanks.

But after a little white lie I tell spirals out of control, I'm somehow offered the chance to *play* Zane's girlfriend to help promote his new dating website - and the best part? *He can't*

say no because he'll get caught in his lie too.

Little did I know this would entail sharing a tour bus with him for the next few months. The fact that the bus has just *one* bed isn't the most ideal of circumstances, but this spokesperson gig might be the kick in the pants my career needs, so why not take a chance?

Famous last words.

Now I'm crisscrossing the country—and sharing *that* bed—with the one guy I can't stand. And even worse, my traitorous body is wondering at every turn what it's like to be *down under* the gorgeous Australian. But as the miles unfurl, so does our passion...and if I'm not careful, I might end up believing that fairytales really do come true.
