What if you discovered you have been entrusted with an invisible, invincible, and incorruptible weapon? Would you use it?

In a day of worldwide trafficking, gendercide, discrimination, and other hostility against women, Lisa Bevere points to a biblical foundation to present a model of feminine strength that will empower women to live confidently. Drawing on the many references to swords throughout Scripture, the author constructs a revealing and compelling female paradigm that will impact every area of a woman's self identity, spiritual awareness, relationships, and life vision and mission. Long known for her passionate and articulate expression of biblical

womanhood, Bevere presents fresh imagery--as enticing and strong as polished steel--to prepare women boldly for the challenges they face in today's world. It's not enough to just be wise and strong: Now a woman must know how to wield her sword.

Creatively forging the imagery of swords, the Word of God, and the Cross, *Girls with Swords* will teach you:

- How to speak the language of heaven on earth
- What it means to intercede
- What it means to carry your cross
- What it means to be discerning
- How to disarm the enemy
- Why women are the enemy's target—and why God needs them to be heroes

It's time to take up your sword and be a hero.
