I own this town. The deals, the cash flow, the corruption - I decide it all.

Blood and violence taints everything I claim.

She was a constant through it all and she never knew how badly I needed her.

Just a touch would singe and soothe.

Just a look would tempt and torment.

She was too good for this world. I was too much of a bastard to push her away. And so she became my escape and my addiction.

It was only a matter of time before the danger bled into what we had.

I should've known better than to indulge.

I should've known better than to let her fall for me. There

isn't anything I touch that doesn't crumble into dust and ash.

Touching Laura was her downfall. Problem was, it was mine, too.
