Your early life experiences create an “intimacy imprint”—an underlying blueprint that shapes your behavior, beliefs, and expectations of all future relationships, especially your marriage. In *How We Love*, relationship experts Milan and Kay Yerkovich help you pinpoint the reason your marriage is struggling—and they reveal exactly what you can do about it.

Drawing on the powerful tool of attachment theory, the Yerkoviches identify four types of injured imprints that combine in marriage to trap couples in a repetitive dance of pain. As you discover how your relationship has been guided by these imprints, you’ll gain the insights you need to stop stepping on each other’s toes and instead allow yourselves to be swept along by the music of a richer, deeper relationship.
