The story of Paul LeRoux, the twisted-genius entrepreneur and cold-blooded killer who brought revolutionary innovation to international crime, and the exclusive inside story of how the DEA's elite, secretive 960 Group brought him down.

Paul LeRoux was born in Zimbabwe and raised in South Africa. After a first career as a pioneering cybersecurity entrepreneur, he plunged hellbent into the dark side, using his extraordinary talents to develop a disruptive new business model for transnational organized crime. Along the way he created a mercenary force of ex-U.S. and NATO sharpshooters to carry out contract murders for his own pleasure and profit. The criminal empire he built was Cartel 4.0, utilizing the gig economy and the tools of the Digital Age: encrypted mobile devices, cloud sharing and novel money-

laundering techniques. LeRoux's businesses, cyber-linked by his own dark worldwide web, stretched from Southeast Asia across the Middle East and Africa to Brazil; they generated hundreds of millions of dollars in sales of arms, drugs, chemicals, bombs, missile technology and murder. He dealt with rogue nations—Iran and North Korea—as well as the Chinese Triads, Somali pirates, Serb mafia, outlaw bikers, militants, corrupt African and Asian officials and coup-plotters.

Initially, LeRoux appeared as a ghost image on law enforcement and intelligence radar, an inexplicable presence in the middle of a variety of criminal endeavors. He was Netflix to Blockbuster, Spotify to Tower Records. A bold disruptor, his methods brought international crime into the age of innovation, making his operations barely detectable and LeRoux nearly invisible. But he gained the attention of a small band of bold, unorthodox DEA agents, whose brief was tracking down drugs-and-arms trafficking kingpins who contributed to war and global instability. The 960 Group, an element of the DEA's Special Operations Division, had launched some of the most complex, coordinated and dangerous operations in the agency's history. They used unorthodox methods and undercover informants to penetrate LeRoux's inner circle and bring him down.

For five years Elaine Shannon immersed herself in LeRoux's shadowy world. She gained exclusive access to the agents and players, including undercover operatives who looked LeRoux in the eye on a daily basis. Shannon takes us on a shocking tour of this dark frontier, going deep into the operations and the mind of a singularly visionary and frightening figure—Escobar and Victor Bout along with the innovative vision of Steve Jobs rolled into one. She puts you in the room with these people and their moment-to-moment encounters, jeopardy, frustration, anger and small victories, creating a narrative with a breath-taking edge, immediacy and a stranger-than-fiction reality.

Remarkable, disturbing, and utterly engrossing, *Hunting LeRoux* introduces a new breed of criminal

Download or Read Online Hunting LeRoux Elaine Shannon Free eBook PDF/ePub/Mobi/Mp3/Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **hunting leroux** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your hunting leroux so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
