THE CURE FOR CLINGERS

Coming from a former self-proclaimed stage 5 clinger. This book actually CHANGED me. It was the slap in the face I needed to just STOP AND PUT THE PHONE DOWN. I had no sense of dignity when he broke up with me. I was only worried about satisfying my need to communicate with him, and completely forgot how HE viewed my actions. How he was judging my desperation. If you've lost common sense over someone and don't know how to step back, THIS IS THE BOOK FOR YOU.

EMPOWERING

After reading this book, I instantly felt empowered. Why should I be crying over my ex or praying he will reconcile? He's lucky I even dated him in the first place. This book pointed out so many of his flaws. I don't even want him back now. On to a real man, please!

AWESOME ADVICE

This book sucked me in and made me realize I did everything wrong! Everything! I begged I pleaded, I cried, I texted and texted about how I felt. The whole time he sat back and relaxed and ignored me or gave me a two-word response. Not anymore. After reading this book and looking back, I'm not even sure I want him back in my life now! That is how good this book is. I had standards before him, and now I have standards again! Going to read it over and over to remind myself of who I am and that I deserve someone that wants me, not wants me to belittle myself. Definitely a great read for those sitting and crying!
