Can a guy and girl ever be *just friends*?

I used to think so but now, I'm not so sure. Emerson and I met freshman year of high school and we've been tight ever since. I've been pretty good about keeping her locked in the *girls I don't think about having sex with* part of my brain. Which is no easy feat because, let's face it, unless we're related, you're potential spank bank material. Luckily for me, Southern University has an overabundance of Red Devils hockey groupies, which means there are always plenty of puck bunnies for me to choose from. I'm just careful to make sure they look nothing like Em.

So, it should be all good in the hood, right?

Wrong. I'm embarrassed to admit this, but lately, I can't seem to get *it* up. Unless an image of Em pops into my head. Then it's all systems go. It's a messed-up situation. One Emerson is blissfully unaware of. And that's exactly the way it needs to stay. What I've learned is that friendship is a hell

of a lot harder to come by than hookups.

Ready for a complication? It turns out that Em is a virgin. And she wants me to be the one to, well...take care of business. You better believe I shot down the idea before it could gain traction in my brain. Maybe Em doesn't realize it, but remaining friends after you've slept with someone happens about as often as spotting a tie-dye colored unicorn that craps sprinkles. If it weren't rare, everyone would be doing it, right? *Exactly*.

As far as I'm concerned, Emerson has remained a virgin for this long, she can damn well wait to do the deed until after we part ways next year.

Unfortunately, my best friend has other ideas.

Which pretty much means I'm screwed.

And not in a good way.

Download or Read Online Just Friends Jennifer Sucevic Free eBook PDF/ePub/Mobi/Mp3/Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **just friends** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your just friends so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF

Just friends are a good way to achieve details about operating certain products. Many products that you buy can be obtained using instruction manuals. These user guides are clearly built to give step-by-step information about how you ought to go ahead in operating certain equipments. A handbook is really a user's guide to operating the equipments. Should you lose your best guide or even the product would not provide an instructions, you can easily obtain one on the net. You can search for the manual of your choice online. Here, it is possible to work with Google to browse through the available user guide and find the main one you'll need.
