Author, Kevin Hunter, is a love expert in love with all things surrounding the word love since he arrived on this planet. He has been out in the field studying the human condition since he was a teenager. This has included conducting social experiments as well as diving head first into the areas of love and dating in his own personal life.

One of the ways of surviving modern day dating and relationships in a loveless world is by armoring yourself with knowledge. This includes knowledge over the way things currently are. You've went to psychic readers, you've cast spells, you put yourself out there, did the vision boards, the crystal meditations, and other love rituals presented to you,

but you still find you're desperately wishing the person of your dreams was here already. You grow cynical as if it will never happen and that you just have to accept the fact that perhaps it's not in the cards. Dating is a battlefield, be prepared to get dirty.

**Kevin Hunter** is best known for his endless array of spiritually based books. In *Love Party of One*, he answers some of the practical issues that readers posed regarding their personal conflicts in the current dating market. This is a non-denominational book with some light spiritual slang for anyone struggling as a single person in a loveless world. This is regardless of age, background, or whether you are straight, bi, gay, male, or female. The dating market is an equal opportunity killer and no soul is exempt from the challenges they face when it comes to love.

Some of the topics discussed surround technological dating, falling in love with someone you've never met, codependency, exes, communicating, compromise, sex, marriage, monogamy vs. adultery, ageism, and more!

## **What Readers Have Said:**

~~"Loved this book. This line really stood out to me - Desiring a love partner is not co-dependent. to equate a basic human need with desperation is absurd." - A Reader~~

"Quite a bit of my dating struggles in my own consciousness I found to be already written down in this book. Love Party of One really vibes with me. Loved it. Thank you." - A Reader

"An amazing read. Realistic. The book touches upon confusions, thoughts, and emotions in one's journey to the find the one. Also relevant were a focus on couples issues after they are together. Issues such as infidelity and monogamy which is so significant in today's age. It was good to see the author reinstate the old school belief that true love is about that commitment." - A Reader

"I have been reading this book and can't put it down! It's soooo good!!! Fantastic work Kevin Hunter! He should be a teacher in a school or college, or a counselor! This stuff he wrote in 'Love Party of One' is right to the point and on the mark! Damn he's good! His Archangel team guided him to a best seller in my opinion! I'm just about to start chapter 8 and each chapter is like, "Damn, he's so right! He is good! Great job with this! What a gifted Angel and Wise One he is. A true Warrior for sharing the right stuff! Thank you!" - A Reader
