Mastering Stand-Up draws on Rosenfield's own extensive experience (and those of countless stars like Lenny Bruce, Richard Pryor, Chris Rock, Rodney Dangerfield, Louis C.K., Steve Martin, Roseanne, and Johnny Carson) to show the reader—and would-be comic—what works, what doesn't, and why. Forty sharply written chapters cover every conceivable angle of the joke and how to tell it. There are a number of books on comedy and how to do it, but none has the breadth and authority Rosenfield brings to his theme. It's not for nothing that the New York Times has described him as "probably the best-known comedy teacher in the country." Rosenfield's book is sure to become the classic text on its subject. And it should help thousands who long to make

others laugh to realize their fondest hopes.
