This ebook is the second in a series of 6" crochet patterns. It has 20 more fun, new, versatile 6" crochet square patterns you can use on their own or together to create modern, colourful crochet creations you and your family will love. You don't need to have the first book to make sense of these patterns - each book stands alone, but some you can mix and match blocks from both books.

All patterns have been designed to be as seamless as possible - you'll have to look really hard to see where rounds begin and end. Some creative techniques and stitch combinations make this a book full of truly unique patterns.

Charts or schematics for each pattern are included along with clear written patterns so you'll always know you're doing the

right stitch in the right place.

Suggestions for pattern combinations are given as well as hints and tips. Everything you need to know to successfully create every pattern is included, from very detailed instructions to the extensive stitch dictionary that includes links to videos by the author. If you know how to read a crochet pattern, then you will be able to make anything in this book.

Make blankets, throw rugs, table runners, baby blankets, fancy tablecloths and bedspreads for everyone in your family. Even the men are covered with some solid manly patterns.
