Which Kyle Abernathy did she marry? The computer programmer she met in line at the bank? Or the one who was apparently using that image as a cover story?

The search for her husband--and answers--takes Summer ever deeper into a world of organized crime where people are used one moment and discarded the next. And with her deepest relationship of trust already shattered, Summer doesn't know who to believe.

Always thrilling, Lynette Eason outdoes herself in this taut, breakneck story of lies, loyalties, and love that will have readers up all night to discover the truth hidden in the shadows.
