They regard it as a detail of rites and ceremonies with which they have nothing to do — a record of by-gone institutions, affording no instruction or edification for them. That this is a great mistake, thousands are now discovering. Very many who for years, looked upon the Book of Leviticus as little more than a dry catalogue of Jewish ordinances, are now discovering in it an exhaustless mine of spiritual wealth for which they cannot be too thankful. They have brought its marvellous pages under the light of the New Testament scriptures, and they can only wonder at that which is now unfolded to their gaze. That they may discover yet more of the precious treasure, is my earnest desire on their behalf.
