The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page.”

--Books and Movie Reviews, Roberto Mattos (re Once Gone)

ONCE LURED is book #4 in the bestselling Riley Paige mystery series, which begins with the #1 bestseller ONCE GONE (Book #1)!

Women are turning up dead on a lone stretch of highway in Delaware. Some go missing for an inexplicable length of time, while others are turning up dead, their bodies left out for display in bizarre and mysterious ways. When a pattern is discovered, it becomes clear to the FBI that a twisted serial

killer is on the hunt—luring girls in devious schemes—and that he won't stop killing, ever.

The FBI, desperate to crack the case, urges Special Agent Riley Paige to take it on. But the brilliant Riley, still reeling from past cases, has finally found peace in her home life, and is determined to help her daughter April get back on her feet. Yet when the murders become too disturbing, too urgent—and when her former partner Bill implores her—Riley finally realizes she can't say no.

Riley's hunt leads her deep into the unsettling world of hitchhikers, of drifters, of women that no one else cares for. When she discovers that several women are being kept alive and that there is still time to save them, she realizes she will stop at nothing, obsessing over the case and driving herself to the brink. Yet Riley realizes her own life is falling apart, and her own fragile psyche can barely handle the strain. In a frantic race against time, she will have to plunge deep into the killer's mind to save these women—and to save herself—from collapse.

A dark psychological thriller with heart-pounding suspense, ONCE LURED is book #4 in a riveting new series—with a beloved new character—that will leave you turning pages late into the night.

Book #5 in the Riley Paige series will be available soon.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **once lured (a riley paige mystery—book 4)** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your **once lured (a riley paige mystery—book 4)** so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
