Warbands rise to power in every corner of the Mortal Realms. Mighty warriors and dread sorcerers marshal their forces as they set out to crush all who stand before them. This is Path to Glory, where legendary heroes and terrifying enemies are born in bloody battle.

In this book, you'll learn how to place yourself in the blood-soaked boots of a powerful warlord, dragging an ever-growing band of fiercely loyal followers into savage combat across the Mortal Realms. Starting with a single champion and a few followers, you'll - assuming your capacity for violence is enough - gradually turn your warband into a rapacious horde of killers edging ever closer to eternal glory.

Contained within:

- The Rise of Gulgaz - the story of the meteoric rise of Gulgaz Stoneclaw and his warclan, who expanded into a veritable juggernaut of an army;
- a detailed explanation of the Path to Glory campaign: how to create a warband, how Glory Points are accrued and spent (and the rewards they bring), and how to achieve eternal glory - the final victory in a campaign;
- a Warband Roster - this is a blank roster on which to document your warband and its exploits - you're free to photocopy this;
- 6 Battleplans - essentially, missions you can use in your campaign, each with a different objective that changes the way your games are played;
- Warband Tables - these are the rules used to determine the champion, followers and rewards for your warbands. Included are tables for the following factions: Khorne, Tzeentch, Nurgle, Slaanesh, Beasts of Chaos, Skaven, Clans Pestilens, Kharadron Overlords, Stormcast Eternals, Fyreslayers, Sylvaneth, Seraphon, Order (chosen from Human, Aelf and Duardin models), Ironjawz, Beastclaw Raiders, Bonesplitterz, Destruction (chosen from Orruk, Grot and Ogor models), Flesh-Eater Courts and Death;
- Start Collecting! Warbands - if you're itching to get going, but don't have the right models for a warband (or just fancy a new one...) then these are the rules for you - they're designed to work with the Start Collecting! boxes of Warhammer Age of Sigmar models. Simply pick up a box, assemble the miniatures and you're good to go - these rules have been fine-tuned to offer immediacy and balance.

Download or Read Online Path to Glory Games Workshop Free eBook PDF/ePub/Mobi/Mp3/Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **path to glory** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your path to glory so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features.
