Following the USA Today bestseller, Lost and Found Sisters, comes Rainy Day Friends, Jill Shalvis' moving story of heart, loss, betrayal, and friendship.

Six months after Lanie Jacobs' husband's death, it's hard to imagine anything could deepen her sense of pain and loss. But then Lanie discovers she isn't the only one grieving his sudden passing. A serial adulterer, he left behind several other women who, like Lanie, each believe she was his legally wedded wife.

Rocked by the infidelity, Lanie is left to grapple with searing questions. How could she be so wrong about a man she thought she knew better than anyone? Will she ever be able to trust another person? Can she even trust herself?

Desperate to make a fresh start, Lanie impulsively takes a job at the family-run Capriotti Winery. At first, she feels like an outsider among the boisterous Capriottis. With no real family of her own, she's bewildered by how quickly they all take her under their wing and make her feel like she belongs. Especially Mark Capriotti, a gruffly handsome Air Force veteran turned deputy sheriff who manages to wind his way into Lanie's cold, broken heart—along with the rest of the clan.

Everything is finally going well for her, but the arrival of River Green changes all that. The fresh-faced twenty-one-year old seems as sweet as they come...until her dark secrets come to light—secrets that could destroy the new life Lanie's only just begun to build.

Download or Read Online Rainy Day Friends Jill Shalvis Free eBook PDF/ePub/Mobi/Mp3/Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **rainy day friends** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your rainy day friends so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one.
