Aurora Teagarden, small town librarian and true crime buff, is looking forward to the monthly meeting of the Real Murders Society, a group of fellow crime enthusiasts who share a unique interest in historical murders. The Society meetings are the highlight of Roe's social life in sleepy Lawrenceville, Georgia, and she's ready for a quiet night of discussion, coffee, and cookies. But after she finds the body of a Society member in a staged crime scene eerily similar to the one the group was supposed to discuss that very night, Roe finds herself at the center of a murderous story of her own.

As the killer strikes again, it's obvious that members of the Real Murders Society have become targets of a knowledgeable copycat. With the help of handsome police detective Arthur Smith and the town's dashing new resident, mystery novelist Robin Crusoe, it's up to Roe to discover if the murderer is one of the group's own and to piece the perplexing puzzle together before another body appears.

From #1 New York Times bestselling author Charlaine Harris, this first book in the Aurora Teagarden mystery series combines the excitement of solving the crime and the charm of Southern hospitality. Real Murders, A Bone to Pick, Three Bedrooms, One Corpse and the rest of the Aurora Teagarden mysteries have been adapted into film for Hallmark Movies & Mysteries.

Download or Read Online Real Murders Charlaine Harris Free eBook PDF/ePub/Mobi/Mp3/Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **real murders** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.
