Flash back to the '80s in this decades-long coming of age romantic comedy between a smoking hot, A-list Hollywood actor and his high school sweetheart.

It's hysterically funny, super steamy, rip-your-guts-out heartwrenching, and incredibly romantic.

**All three best-selling books of the Remember Trilogy in one bundle!**

(Including all FOUR bonus chapters in Trip's POV!)

REMEMBER WHEN,  
REMEMBER WHEN 2: The Sequel, and  
REMEMBER WHEN 3: The Finale.

"You know how sometimes, your high school crush grows up to become an insanely famous actor? Okay. Probably not. But I do."

~Layla Warren

**Remember When** is the first story in an NA romcom trilogy. It will take you back to that time before the real world kicked in, that limbo between adolescence and adulthood, that trial of hanging on to the past while figuring out where the future will lie.

With heart-shredding romance, steamy love scenes, and hilarious eighties references, readers of all ages will find themselves rooting for Layla and dreaming about Trip for years to come. It's an endearing journey through the tumultuous world of friendship, family and high school...

...and the memory of that one incredible guy your heart just can't seem to forget.

**Remember When 2** is the second story in an NA romance trilogy. It will bring you back to that exuberant and riotous time of life in your twenties when you struggled to figure out your place in the world and the person you were meant to be...

...and the person you were meant to be *with*.

**Remember When 3** is the third and final book in the Remember Trilogy.

and knowing that sometimes, you just have to learn when to let go.

*\*\*\*This book is intended for mature teen readers and immature adult ones due to some underage drinking, objectionable language, graphic sex, and 80s flashbacks.\*\*\**

***Hysterical! Made me want to break out a can of Aqua Net and hit the Jersey shore. Loved the characters and their sweet and steamy love story. You'll find yourself rooting for Layla and dreaming about Trip for years to come.***

**There are so many things I loved about this sweet and funny book. The writing was flawless, the story was addictive; I cried, I laughed out loud and I swooned... I devoured every single minute... all the way through it was handled with so much love and a huge dash of humor... You felt it all and it was such a wonderful experience... Remember When was fun, it was sexy, it was a giggle a minute, it was beautiful....yep, it was perfect.**

*~Gitte and Jenny, Totally Booked Blog*

**If you think you know what this book is about based solely on the synopsis, you would be wrong. Remember When is so much more... I laughed out loud, I cried, I swooned, I squeed... I angered, I hurt, and I was in total angst a couple of times... [and] I am SO utterly, undeniably, completely, and overwhelmingly in love with Trip.**

Torrest Free eBook PDF/ePub/Mobi/Mp3/Txt**, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **remember when: the complete trilogy (1, 2, 3)** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your remember when: the complete trilogy (1, 2, 3) so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
