Copious illustrations and step-by-step photos complement the clear prose."

- The Vancouver Sun

When it comes to home renovation, there's no substitute for hands-on experience.

**Renovation 4th Edition** contains the collective wisdom of hundreds of contractors, architects and tradespeople who shared their first-hand experience with Mike Litchfield as he interviewed and photographed them on job sites across North America.

As a founding editor of *Fine Homebuilding* magazine, the author of 12 acclaimed books, and a home renovator himself, Litchfield was able to record lifetimes of practical, field-tested solutions and trade secrets from the cream of the crop--the pros that other pros admire.

Both first-time renovators and professionals who want to supplement their knowledge of specific trades will find **Renovation 4th Edition** invaluable. **Renovation 4th** covers every stage of home remodeling from start to finish, from assessing for purchase and planning a job; doors, windows and skylights; framing and foundations; plumbing and wiring--with an expanded section on energy conservation, weatherizing and insulating--and so on to drywall, tiling, interior trim, painting and finish flooring. It is the most complete single volume on home renovation available anywhere.

This new edition of **Renovation 4th** reflects the new realities of planning carefully, spending wisely, maximizing space and building durably. Its 614 pages contain extensively revised chapters on planning; doors, windows and skylights; electrical wiring; and energy conservation. Its illustrations are crisp and informative. And its 1000+ photos were selected from more than 40,000 that the author has taken over the years.

This classic work covers renovation from start to finish surfaces. Best of all, **Renovation 4th** is written in a down-to-earth conversational style that is clear and easy to understand. Litchfield has a sharp wit and a dry sense of humor that makes this book not only useful, but great fun to read. Get your copy today.
