When Sara was only five years old, her violent father began to sexually abuse her. She suffered in silence for many years, as her father took advantage of her innocence and her mother turned a blind eye to the horrors that were taking place in her own home. It was only when Sara found the courage to tell her mother what had happened that the truth about the trauma and abuse she had suffered came out. In an attempt to rebuild her life, as a teenager, Sara became a model but even this choice was to lead to more misery when she discovered that the agency had been drugging and abusing her. Despite the horrors that Sara has endured, she has survived and, partly by telling her story, has overcome the past to re-build her life.
