Xander was my heaven, filling me with life.

After surviving my worst nightmare, Xander proved to be my hero once again, shielding me the best he could. Our peace is cut short, brutally destroyed when a vicious killer strikes too close to home, revealing devastating secrets that should have remained forever buried.

Sin was my hell, his desertion complete.

Cutting me out of his life with the cruelest words possible, Sin left me broken, my heart shattered in pieces. After weeks without him, his unexpected reappearance catapults me into a tailspin, torn between the fierce desire that never seems to diminish and my inability to trust him again.

I still wanted both but could only have one.

Ultimately, finding justice had destroyed us all, inciting a violent war in which there could be no winner. Two men, one accused of murder, the other seeming just as guilty, both withholding the truth. Caught between them, I was forced to choose, a heartbreaking decision that, in the end, was sure to ruin me.
