He's my father's business rival, a powerful, vicious man who takes what he wants and bows to no one. I only took the meeting because I was curious. I thought he was going to offer me a job.

But that's not what he's after at all. His proposal is much more intriguing, and I see an opportunity. An opportunity to turn the tables and bring down the devil.

I've gotten in trouble playing these games before. I know when the risk is too great, when the stakes are too high. I know how to be cold and strong-willed and destructive. I know how to withstand dominant men with arrogant charm and rugged features.

Yet I can't resist taking on Edward.

And I can't resist the pull he has on me.

Soon I'm not so sure which side of the battle I'm standing on--if I'm the warrior meant to slay,

Or the one who will be slain.
