"There is no question that one of the most difficult issues facing the church today is the subject of homosexuality. But God didn't leave us in the dark on the topic of human sexuality. He gave us clear directives for this part of our lives so that we might experience the abundant life He promises. But speaking those guidelines to a confused church and a hardening culture isn't easy. No one does it better than Joe Dallas. Like no other voice I hear, Joe both lives and ministers with that continual balance of truth and love on this most contentious topic. In a day where Christians are growing more silent, we need a book like this to teach us how to winsomely engage while never retreating from God's protective Truth. This is a must-read for the church today!"--**Janet Parshall**, nationally syndicated talk show host
