About the Original Book:

In *Winners Take All*, Anand Giridharadas bursts the great myth that large corporations are the key drivers of social change and poverty reduction. He provides critical evidence that shows just how self-serving these large donations are, highlighting the behind-the-scenes machinations that keep the system skewed in favor of the wealthy. Giridharadas pulls no punches as he exposes the inner workings of what he calls MarketWorld, a reference to the philanthropic individuals and companies that make a killing off the misery of poor people. If you have ever wondered why poverty and inequality are so pervasive in the modern world, this book will reveal the truth.
