For twenty years, Father Gregory Boyle has run Homeboy Industries, a gang-intervention program located in the Boyle Heights neighborhood of Los Angeles—also known as the gang capital of the world. In *Tattoos on the Heart*, he has distilled his experience working in the ghetto into a breathtaking series of parables inspired by faith.

From giant, tattooed Cesar, shopping at JC Penney fresh out of prison, you learn how to feel worthy of God's love. From ten-year-old Pipi you learn the importance of being known and acknowledged. From Lulu you come to understand the kind of patience necessary to rescue someone from the dark—as Father Boyle phrases it, we can only shine a flashlight on a

light switch in a darkened room.

This is a motivating look at how to stay faithful in spite of failure, how to meet the world with a loving heart, and how to conquer shame with boundless, restorative love.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **tattoos on the heart** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.
