In *The Christian Mind*, Vonier looks closely at the philosophical underpinnings of the Christian faith, as well as the mentality of Christians. As he notes in the foreword of the book, “Ever so many Christians, even amongst those who profess piety, and possess education, shape their thoughts, and order their lives on principles that have no direct relationship with the central fact of Christianity, the Incarnate Son of God...I have tried in the following pages to draw a distinction between general spirituality, and the specific

Christian spirituality, which is based on the practical assimilation by our minds of the doctrine of the Incarnation.”

This edition of Vonier’s *The Christian Mind* is illustrated with pictures of Jesus and includes a Table of Contents for easier navigation.
