"I can't afford that." "Now's not the right time . . . I need to save up." "Quit my job? Are you nuts?!"

Sound familiar? Money is one of the biggest excuses we make to not go after what we really want. Our fixation with money--the desire for more of it, and the fear of not having enough of it--is often really just a longing to feel safe. But this obsession with money is coming at a much bigger cost: our sanity, our creativity, our freedom, and our ability to step into our true power.

This book is about eliminating the need to seek safety through the illusion of money, and learning to see ourselves for the perfection that we are--so that we can bring our gifts to the world in an authentic way, and allow ourselves to receive

massive, true abundance as a result.

Kyle Cease has heard excuses like the ones above countless times at his live events, and he has shown people how to completely break through them. In *The Illusion of Money*, he shares his own experiences as well as practical tools to help readers understand their ingrained beliefs and attachments to money, and how they can tap into our infinite assets and talents.

*"After 25 years as a successful comedian, actor, transformational speaker, author and junior-league amateur bowler, I've experienced many times how chasing money is not an effective way to create an abundant and fulfilling life. The most alive I've ever felt was after I left my comedy career at its peak to become a transformational speaker. I left tons of guaranteed money and so-called security for a complete unknown. It was terrifying--but what was on the other side of that terror was a completely different life that is not only more abundant financially, but has more freedom, more ease, more passion, more impact and more joy." -- Kyle Cease*
