Evangelicals are losing the culture war. What if it's their fault?

In 2016, writer and filmmaker Ben Howe found himself disillusioned with the religious movement he'd always called home. In the pursuit of electoral victory, many American evangelicals embraced moral relativism and toxic partisanship.

Whatever happened to the Moral Majority, who headed to Washington in the '80s to plant the flag of Christian values? Where were the Christian leaders that emerged from that movement and led the charge against Bill Clinton for his deception and unfaithfulness? Was all that a sham? Or have they just lost sight of why they wanted to win in the first place? From the 1980s scandals till today, evangelicals have

often been caricatured as a congregation of judgmental and prudish rubes taken in by thundering pastors consumed with greed and lust for power. Did the critics have a point?

In *The Immoral Majority*, Howe—still a believer and still deeply conservative—analyzes and debunks the intellectual dishonesty and manipulative rhetoric which evangelical leaders use to convince Christians to toe the Republican Party line. He walks us through the history of the Christian Right, as well as the events of the last three decades which led to the current state of the conservative movement at large.

As long as evangelicals prioritize power over persuasion, Howe argues, their pews will be empty and their national influence will dwindle. If evangelicals hope to avoid cultural irrelevance going forward, it will mean valuing the eternal over the ephemeral, humility over ego, and resisting the seduction of political power, no matter the cost. *The Immoral Majority* demonstrates how the Religious Right is choosing the profits of this world at the cost of its soul—and why it's not too late to change course.

Download The Immoral Majority Free eBook PDF/ePub/Mobi - Ben Howe

Download or Read Online The Immoral Majority Ben Howe Free eBook PDF/ePub/Mobi/Mp3/Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **the immoral majority** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your the immoral majority so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
