**Winner of the 2013 Edgar® Award Winner for Best Paperback Original!**

What's the point in solving murders if we're all going to die soon, anyway?

Detective Hank Palace has faced this question ever since asteroid 2011GV1 hovered into view. There's no chance left. No hope. Just six precious months until impact.

*The Last Policeman* presents a fascinating portrait of a pre-apocalyptic United States. The economy spirals downward while crops rot in the fields. Churches and synagogues are packed. People all over the world are walking off the job—but not Hank Palace. He's investigating a death by hanging in a city that sees a dozen suicides every week—except this one feels suspicious, and Palace is the only cop who cares.

The first in a trilogy, *The Last Policeman* offers a mystery set on the brink of an apocalypse. As Palace's investigation plays out under the shadow of 2011GV1, we're confronted by hard questions way beyond "whodunit." *What basis does civilization rest upon? What is life worth? What would any of us do, what would we really do, if our days were numbered?*

**Ebook contains an excerpt from the anticipated second book in the trilogy, *Countdown City*.**

Winters Free eBook PDF/ePub/Mobi/Mp3/Txt**, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **the last policeman** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your the last policeman so overwhelming, you are able to go ahead and take instructions or guides in the manual individually.
