Louis-Charles, Duc de Normandie, enjoyed a charmed early childhood in the gilded palace of Versailles. At the age of four, he became the dauphin, heir to the most powerful throne in Europe. Yet within five years he was to lose everything. Drawn into the horror of the French Revolution, his family was incarcerated and their fate thrust into the hands of the revolutionaries who wished to destroy the monarchy.

In 1793, when Marie Antoinette was beheaded at the guillotine, she left her adored eight-year-old son imprisoned in the Temple Tower. Far from inheriting a throne, the orphaned boy-king had to endure the hostility and abuse of a nation. Two years later, the revolutionary leaders declared Louis XVII

dead. No grave was dug, no monument built to mark his passing.

Immediately, rumors spread that the prince had, in fact, escaped from prison and was still alive. Others believed that he had been murdered, his heart cut out and preserved as a relic. As with the tragedies of England's princes in the Tower and the Romanov archduchess Anastasia, countless "brothers" soon approached Louis-Charles's older sister, Marie-Therese, who survived the revolution. They claimed not only the dauphin's name, but also his inheritance. Several "princes" were plausible, but which, if any, was the real heir to the French throne?

The Lost King of France is a moving and dramatic tale that interweaves a pivotal moment in France's history with a compelling detective story that involves pretenders to the crown, royalist plots and palace intrigue, bizarre legal battles, and modern science. The quest for the truth continued into the twenty-first century, when, thanks to DNA testing, the strange odyssey of a stolen heart found within the royal tombs brought an exciting conclusion to the two-hundred-year-old mystery of the lost king of France.

Download The Lost King Of France Free EBook PDF/ePub/Mobi - Deborah Cadbury

Download or Read Online The Lost King of France Deborah Cadbury Free eBook PDF/ePub/Mobi/Mp3/Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **the lost king of France** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your the lost king of France so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
