The written word is mightier than the sword—most of the time...

Working in an alternate version of Victorian London, Librarian-spy Irene has settled into a routine, collecting important fiction for the mysterious Library and blending in nicely with the local culture. But when her apprentice, Kai—a dragon of royal descent—is kidnapped by the Fae, her carefully crafted undercover operation begins to crumble.

Kai's abduction could incite a conflict between the forces of chaos and order that would devastate all worlds and all dimensions. To keep humanity from getting caught in the crossfire, Irene will have to team up with a local Fae leader to travel deep into a version of Venice filled with dark magic, strange coincidences, and a perpetual celebration of Carnival—and save her friend before he becomes the first casualty of a catastrophic war.

But navigating the tumultuous landscape of Fae politics will take more than Irene's book-smarts and fast-talking—to ward off Armageddon, she might have to sacrifice everything she holds dear...
