**Three years later.**

But behind closed doors, Claire's life is falling apart. Her husband is barely ever home, she's struggling to bond with her baby girl, and she swears that she is being watched in the remote, lonely cottage.

And when a threatening note is posted through her letterbox, saying she doesn't deserve her daughter, it's clear that someone knows about the terrible mistake that Claire made - someone won't let her forget it. Three years ago, she would have known who to turn to. But now she no longer recognises those closest to her, or the person she's become. Who can she trust?
