A new home can be a happy ending. Or a fresh start. Or a hiding place...

Of all the emotions single mother **Kate Jones** feels as she walks into her brand new house on Parkview Road, hope is the most unexpected. She has changed her name and her daughter's, and moved across the country to escape the single mistake that destroyed their lives.

Kate isn't the only woman on the street starting afresh. Warm, whirlwind **Gisela** with her busy life and confident children, and sharp, composed **Sally**, with her spontaneous marriage and high-flying career, are the first new friends Kate

has allowed herself in years. Whilst part of her envies their seemingly perfect lives, their friendship might help Kate to leave her guilt behind.

Until one day, everything changes. Kate is called to the scene of a devastating car accident, the consequences of which will test everything the women thought they knew about each other, and themselves.

Can Kate stop her own secrets from unravelling, or was her hope for a new life in vain?

From the bestselling author of *The Silent Wife*, *The Woman I Was Before* is a book about the things we hide from those closest to us - and the terrible consequences that keeping those secrets can have. Perfect for fans of Jodi Picoult, Liane Moriarty and Diane Chamberlain.
