Bret Baier, the Chief Political Anchor for Fox News Channel and the Anchor and Executive Editor of Special Report with Bret Baier, illuminates the extraordinary yet underappreciated presidency of Dwight Eisenhower by taking readers into Ike's last days in power.

"Magnificently rendered. ... Destined to take its place as not only one of the masterworks on Eisenhower, but as one of the classics of presidential history. ... Impeccably researched, the book is nothing short of extraordinary. What a triumph!"—JAY WINIK, New York Times bestselling author of April 1865 and 1944

In Three Days in January, Bret Baier masterfully casts the period between Eisenhower's now-prophetic farewell address on the evening of January 17, 1961, and Kennedy's inauguration on the afternoon of January 20 as the closing act of one of modern America's greatest leaders—during which Eisenhower urgently sought to prepare both the country and the next president for the challenges ahead.

Those three days in January 1961, Baier shows, were the culmination of a lifetime of service that took Ike from rural Kansas to West Point, to the battlefields of World War II, and finally to the Oval Office. When he left the White House, Dwight Eisenhower had done more than perhaps any other modern American to set the nation, in his words, "on our charted course toward permanent peace and human betterment."

On January 17, Eisenhower spoke to the nation in one of the most remarkable farewell speeches in U.S. history. Ike looked to the future, warning Americans against the dangers of elevating partisanship above national interest, excessive government budgets (particularly deficit spending), the expansion of the military-industrial complex, and the creeping political power of special interests. Seeking to ready a new generation for power, Eisenhower intensely advised the forty-three-year-old Kennedy before the inauguration.

Baier also reveals how Eisenhower's two terms changed America forever for the better, and demonstrates how today Ike offers us the model of principled leadership that polls say is so missing in politics. Three Days in January forever makes clear that Eisenhower, an often forgotten giant of U.S. history, still offers vital lessons for our own time and stands as a lasting example of political leadership at its most effective and honorable.

Download Three Days In January Free eBook PDF/ePub/Mobi - Bret Baier & Catherine Whitney

Download or Read Online Three Days in January Bret Baier & Catherine Whitney Free eBook PDF/ePub/Mobi/Mp3/Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **three days in January** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your three days in January so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF

Three days in January are a good way to achieve details about operating certain products. Many products that you buy can be obtained using instruction manuals. These user guides are clearly built to give step-by-step information about how you ought to go ahead in operating certain equipments. A handbook is really a user's guide to operating the equipments. Should you lose your best guide or even the product would not provide an instructions, you can easily obtain one on the net. You can search for the manual of your choice online.
