In unflinching prose, Dr. Zeitz shares a lifetime of struggles and hard-won lessons as a doctor, activist, father, and son. His complex dance between healing others and healing himself ultimately transforms the inexplicable anger and disappointment he felt at the state of the world and his own past into full-throttled, open-hearted, soul-satisfying action set on a global stage. Waging Justice is a personal story and also a universal one: a story of action, of courage, and of forgiveness; and a rallying cry to wage justice in our lives, speak the truth, be bold, and take action in the world today.
