Home with his father, people recognize him but he's at a loss. Especially when it comes to Marley Pierce.

Marley can't believe Beau is back. But is he? The injured ex-Marine is nothing like the bad boy who'd left Marley pregnant at eighteen. This man is a stranger to her, and one she knows better than to trust. But when she's with *this* man, things are different. But maybe there's a reason for that...

The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **with this man** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.
