Lily's gone.
Someone took her.
Unless she was she never there...

A little girl has gone missing.

Lily was last seen being tucked into bed by her adoring mother, Nova. But the next morning, the bed is empty except for a creepy toy rabbit.

Has Nova's abusive ex stolen his "little bunny" back for good?

At first, Officer Ellie James assumes this is a clear custody battle. Until she discovers that there are no pictures of the girl and her drawers are full of unused toys and brand new clothes that have never been worn...

Is Ellie searching for a missing child who doesn't actually exist?

Reviews

"Reminiscent of Gillian Flynn's Sharp Objects, MY SISTER IS MISSING is a beautifully haunting story that dives beneath the surface and tackles tough issues, all while weaving together a compelling tale of the disappearance of a loved one and returning home to face one's demons." Christina Kaye, award-winning author of PRESUMED DEAD

'A craftsman of the novel world. This book is a fine example of why reading is the perfect form of escapism. Edge of your seat thriller action' 5* Karen Whittard, Netgalley

'Had me on the edge of my seat' 5* Tracy Cavanah, Netgalley

'The most gripping novel with the perfect amount of mystery and thrill...the ending is great!' 5* Cloud of Thoughts Blog

'A well-written, fast-paced thriller that is packed full of twists and turns, mystery and suspense. I was hooked from the very first page ... Worth far more than five stars' Nicki's Life of Crime Blog

'Takes a heavily used plot line and puts a fresh spin on it' Rosemary Smith, Netgalley

Download or Read Online Without a Trace Carissa Ann Lynch Free eBook PDF/ePub/Mobi/Mp3/Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **without a trace** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your without a trace so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
