***All Katie ever wanted was a baby.
Be careful what you wish for.***

Katie Lipton is the town beauty, but that never got her what she wanted most—a baby. And, oh yeah, a faithful husband would have been nice, too.

Reeling from her husband's cheating and desertion, Katie embarks on a one-night fling with professional golfer Darío Luna. Never could she have imagined that one night with Darío would give her something fifteen years of marriage couldn't—morning sickness.

Darío was raised without a father, and he has no intention of the same fate befalling his child. He's still not sure about

Katie, though. Did she trick him? Lie to him? But his feelings for her, and this crazy attraction he feels, soon has him putting his doubts aside to spend more time with her. He tells himself it's for the sake of the baby. Yeah. Right.

Agreeing to try to work out some sort of relationship before the baby is due, Katie travels with Darío to his golf tournaments, walking the course with him by day...and giving in to their attraction by night. But will it be enough?

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **worth the drive** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your worth the drive so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
