It's about heart change, not behavior change. That's the conviction of Tim Chester as he seeks to help everyday Christians "connect the truth about God with our Monday-morning struggles." This interactive book, laid out in workbook fashion, is for newer Christians struggling with sin and for more mature Christians who have plateaued in their faith as they seek to find victory over sin in their lives.

With a conviction that sanctification is God's work and the journey to holiness is joyful, Chester guides readers through a "change project"-beginning with the selection of one area of life they would like to modify. Each chapter includes a question (e.g., Why would you like to change? What truths do you need to turn to?) to guide readers as they deal with a specific sin or struggle, truths from God's word, and a reflection guide to help readers through their change project.
