- A look at the science behind modern training techniques and why they really work.
- Expert advice on basic training - sit, down, stay, come, door etiquette and loose leash walking.
- Addressing jumping, biting, stealing and other

misbehaviors.

- Helping your dog become a Canine Good Citizen.

Life mirrors dog training. The effort you put in now will yield you many rewards, both immediately and for years to come.

What experts are saying about *You Can Train Your Dog!*:

Pam Dennison has done it again! She has written a fabulous book about training dogs that will benefit both the pet owner and novice or professional instructor. This in-depth volume bears Pam's signature stamp of breaking tasks into small steps that make learning effective and fun for dog and human alike. When I think of Pam, I think of someone who really "gets" dogs and who stands out in her ability to teach using practical, simple, realistic, and effective dog-friendly methods. This wonderful book is chock full of easy to follow approaches that work with family dogs, working dogs, high-performance dogs, and dogs with problems. It is precisely because of its practicality and comprehensiveness that I plan to use this book in my Animal-Assisted Play Therapy training program. This is an absolute must-read for everyone who trains their own or others' dogs!

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **you can train your dog** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your you can train your dog so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
