IF SHE SAW (A Kate Wise Mystery) is book #2 in a new psychological thriller series by bestselling author Blake Pierce, whose #1 bestseller Once Gone (Book #1) (a free download) has received over 1,000 five star reviews.

When a couple is found murdered and no suspects are apparent, 55 year old empty nester Kate Wise, after a 30 year career with the FBI, finds herself called out of retirement (and her quiet suburban life) to come back and work for the bureau.

Kate's brilliant mind and unrivaled ability to enter the mind of serial killers is just too indispensable, and the FBI needs her to crack this baffling case. Why were two couples found murdered, 50 miles apart, and in the same manner? What can they possibly have in common?

The answer, Kate realizes, is urgent—as she is certain the killer is about to strike again.

But in the deadly game of cat and mouse that follows, Kate, entering the dark canals of the killer's twisted mind, may just find herself a moment too late.

An action-packed thriller with heart-pounding suspense, IF SHE SAW is book #2 in a riveting new series that will leave you turning pages late into the night.

Book #3 in the KATE WISE MYSTERY series is now also available for pre-order.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **if she saw (a kate wise mystery—book 2)** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your if she saw (a kate wise mystery—book 2) so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
