"When there is trust, conflict becomes nothing but the pursuit of truth, an attempt to find the best possible answer." - Patrick Leoncioni

The conflicts presented in the story may very well be what we are already facing. Through different characters in the story, this book shows the many different kind of personalities that exist within an organization, and how we, as leaders or employees, can tackle them. Understanding the five dysfunctions that a team can face allows us to be in better control when we face similar situations and helps us apply the right strategy to solve problems.

P.S. Gain invaluable insight on what could make or break a team. What you thought you knew about trust and conflict, may be proven wrong with this compelling fable.
